Dear Parent/Carer

Your son/daughter will be studying Art as part of their Key Stage 3 curriculum. In order to complete the course successfully there are some vital pieces of equipment and materials they will need. To ensure that each student has the correct materials to complete the course we have put together a comprehensive KS3 Art Kit. The cost of the kit is £14. This provides your child with a specialist art kit that they will use in lessons for the whole of Key Stage 3.

Preferred payment is via ParentPay. On submission of the Ashlawn School Registration Form you will receive your Parent Pay activation codes.

We strongly recommend that you purchase this equipment.

Yours faithfully

N Seadon
