

Transition Non-Fiction Writing Task 2024

Create an eye-catching poster encouraging your peers to embed the Ashlawn CARE pillars in their day-to-day life and be more understanding of each other's differences.

On your poster you could:

- Explain what the Ashlawn CARE pillars are and why they are important
- Give examples of how the CARE pillars can be demonstrated at school and out of school
- State why it is important to be understanding of people's differences
- Describe ways you could develop a more understanding attitude to those around you.

Your poster can be A4 or A3 in size. You have the option to create this by hand or on Word/PowerPoint/Publisher. Use lots of colour and add some images to make it engaging and appealing.

Please bring this with you on your first day of school in September and hand it in to your form tutor.
