

School Fund

You will note in the welcome email details that we ask parents/carers to contribute a small voluntary donation to the school fund. This money is used to subsidise or provide:-

- school visits
- sports events
- running costs for the minibus
- hardship fund for students who find themselves in financial difficulty
- mid and end of year achievement awards
- enrichment facilities/experiences for our students

The School Fund donation is also used, in part, to provide Personal Accident Insurance for all students. This will cover them against any accident sustained whilst engaged in activities organised by the school within the United Kingdom.

Donations are either £15.00 for the year or £60.00 for the first 5 years.

Under the Academy status we now qualify for the Gift Aid scheme, which allows us to claim the income tax back on donations made by taxpayers. If you are a UK Taxpayer when you make a donation, the government will add an extra 25p for every pound you donate. The Gift Aid declaration only needs to be completed once.

Preferred payment is via ParentPay. On submission of the Ashlawn School Registration Form you will receive your Parent Pay activation codes along with a gift aid declaration request.

Bank standing order mandate is available on request should you wish to make a regular contribution.
